Pure 650

Pure is practical, honest and natural. The collection brings the essence of wood to your garden or terrace. Tangible wood grain structures and raw edges add an authentic feel to its natural simplicity. And the concept is truly inviting. Creating the perfect setting for a picnic afternoon with the entire family. Or for a food sharing evening with friends. The one-piece bench fits the table harmoniously, as if it was cut from the same tree. If nature itself had to pick a favourite, it would be Pure.

Switch rope 450

Switch takes indoor coziness outside. Comfy cushions generously fill up the minimalistic frameworks, which are playfully entwined by thick outdoor ropes. Place Switch rope next to modern architecture or in a rural environment: the seats always invite you to sink in deeply and bathe in the sun. The matching coffee table comes in two variants. A teak tabletop or a scratch-resistant full ceramic top on a dark aluminium framework. Switch Rope is more than furniture, it's an outdoor lounge experience.
